

**HEARTLAND**  
CONFERENCE ON HEALTH EQUITY  
AND PATIENT-CENTERED CARE

**2 0 2 2**

**A G E N D A**

**SEPTEMBER 7-9**

An aerial photograph of a city skyline at sunset. The sun is low on the horizon, casting a warm orange glow over the city. The skyline features several tall buildings, including a prominent white skyscraper in the foreground. The sky is a mix of orange and blue.

# Welcome

The Heartland Conference on Health Equity and Patient-Centered Care explores the rich interplay of community and university together, with the thought that the strength of our community coming together may determine meaningful research priorities and relevant programs and providers. This conference features three days of programs, discussions, and strategies that address this year's theme: Health Equity in Action: Uniting for Healthy Communities.

**Health Equity in  
Action: Uniting  
for Healthy  
Communities.**

Conference

# Keynote Speakers

---

## **Dr. Dána-Ain Davis, M.P.H., Ph.D.**

Dr. Dána-Ain Davis is a professor of Urban Studies and Anthropology at the City University of New York. She is the director of the Center for the Study of Women and Society at The Graduate Center.

## **Marjy A. Stagmeier**

Marjy Stagmeier is a founding partner of TriStar, a real estate investment firm in Atlanta. She is an affordable housing solutionist and a champion of an equitable education-housing model, dubbing her “The Compassionate Capitalist” by the media.
